Missionaries to Papua New Guinea

November 2012

Dear Pastor and Praying Friends,

Thank you for your continued prayers for us—for our work as well as our physical strength. It seems that Satan attacks in many forms, but we know that God is still on the throne interceding on our behalf.

The Lord has answered many prayers for us over the last few months. First of all He worked many blessings for our September 12-16th meeting. During the meeting we had around 3,000 in attendance. Along with all of the nationals from around the country, we also had 14 missionary families who attended as well. Pastor Tony Dorrell was our main speaker for this meeting.

First Night of Annual Pastor's Conference

The pastors, their wives and all in attendance were blessed beyond measure. We saw so many of the men who have graduated from our Bible school here in Wau, and it was a joy to see them and know that they are faithfully serving the Lord still. We had great joy in seeing Tanguna, one of the first students I taught when I first arrived in Wau. Tanguna was single at that time and was a Pangia from the Southern Highlands. He is still serving the Lord as a faithful pastor. His wife and many of her family were there as well, and we enjoyed our time of fellowship together. Tanugua is one of our spiritual children, who has definitely grown in the Lord. His ministry, along with the others that

continue serving the Lord are all a part of your work and labor of love in Papua New Guinea.

Thank you for your continued prayers for Martha's Dad, Junior Campbell. At his first 6-week checkup following his first treatments, his PSA levels had dropped from 94 to 7! The oncologist wants the level to be 4 or below. If it can remain at this level they will know the treatments are still controlling the cancer. PTL and keep praying!

We finally got our Toyota Hylux out of the workshop after being there for over 10 months. The Lord worked another miracle in that the owner was moved by God to help, and the cost was \$6,000 instead of the \$15,000 we were expecting! PTL!

Many churches have already contacted us regarding our 6 month furlough beginning January 21. We look forward to seeing as many as possible. Feel free to contact us via our email address.

Thank you for being faithful to your missionaries.

Yours for Papua New Guinea,

Luther & Martha Smith
